Discover the hidden tropical paradise of Jardines Del Mar, a tranquil escape within walking distance to the world-renowned Eagle Beach. Immerse yourself in lush greenery and vibrant tropical gardens that make this gated community a perfect island retreat. Tropical Gem is a spacious two-story townhome, offering a slice of paradise. The ground floor is designed for comfort and entertainment, featuring a breakfast bar and a dining table. A covered patio with space to dine and lounge opens to the central gardens and pool, while a back patio with a BBQ is perfect for grilling. A powder room and laundry room add convenience to the ground floor. Enjoy the cool comfort of air conditioning throughout the townhome, or savor the gentle tropical trade winds that add a touch of natural freshness. The second floor boasts two bedrooms, each with a king bed, private bath, and a smart TV. The primary suite includes a walk-in closet and a balcony overlooking the pool and gardens.Center stage at this property is a welcoming community pool surrounded by lounge chairs for sunning. A large shaded palapa area provides a serene space to relax and unwind under the Caribbean sun. Explore the community party...
